ProjectoMust A1

Windows 7 Projector All-In-One

Brand	Edaxis
Model No.	ProjectoMust A1
Color	White,Black
Type	PC projector all-in-one
Functions	widescreen, high definition.Support DLP-3D Projection technology, Support 2D video direct conversion 3D video
Light Principle	DLP, LED,RGB

Optical Parameters

Brightness	1000 lumens
Standard Resolution	WXGA(1280x800)
Computer Compatibility	480i,480p,576i,576p,720p,1080i,1080p
Contrast Ratio	2500:1
Type of light source	LED
Display Technology	DLP
LED lifetime	From 20,000Hrs to 30,000Hrs typically

PC parameters

CPU	Intel D2550 dual core 1.86GHZ, four threads,1MB L2 Cache
Graphics Card	built-in 640MHz Intel GMA 3650 graphics card (shared memory 224MB)
RAM	2GB/4GB DDR3-1333/1600
ROM	320GB/500GB HDD + 32GB/64GB SSD(optional)
Audio Features	Realtek ALC662 5.1 high fidelity audio feature
Ethernet LAN	10/100Mbps Fast Ethernet Support
WLAN	Support 802.11b/g/n
Bluetooth(Optional)	Bluetooth v4.0

Interface Parameters

Input Terminal	DC Jack : outer diameter 5.5mm, inner diameter 2.5mm;12V/5A. AV port:3.5mm Audio and video triad interface,support PAL/NTSC system. VGA : HDMI C + patch cord. HDMI : Type A port, version:V1.4, support 480P,720P,1080P,DLP-Link3D signal input.
Output Terminal	SPDIF : SPDIF-OUT fiber interface, Digital audio output. Headset :3.5mm headphone jack, Support analog stereo output.
IO Terminal	USB :3xUSB2.0 Host RJ45 :10/100Mbps Ethernet

Electrical Specification

Power Performance	DC 12V/5A
Power(W)	40-50W, Depending on the use environment
Product Noise(dB)	Normal mode : 35dB;Eco mode :24dB
Loudspeaker	2.5Wx2 (dual speaker)

Packaging information

Weight	1.3kg
Dimension	260mmx167mmx38.5mm

Projection Specification

Illuminance Uniformity	>90%
Projector Distance	0.52-5.2m
Projector Size	20-200 inch
Screen Ratio	16:10
Number Of Colors	10.7 million colors
Projector Ratio	1.2:1, 40 inches/m
Zoom Mode	Electric Zoom
Projector Mode	Front Projector, Rear Projector, Console
Keystone Correction	±40 degree

edaxis™

ProjectoMust A1

LED Smart Projector

Product Features

2500:1 Contrast Ratio

ProjectoMust A1 has a 2500:1 high contrast ratio, to maximize the reduction of colour authenticity, make the picture more layered, can produce enough intoxicating visual enjoyment.

LED RGB

ProjectoMust A1 RGB color mixing using light brings a richer visual experience true colors.

All In One Projector (Projector + Computer)

ProjectoMust A1 is the dual core windows computer and FHD LED all-in-one projector, it is the a new concept product. ProjectoMust A1 integrate the Intel dual core processor, high speed solid state disk and huge capacity mechanical HDD, high speed WiFi module FHD 3D home cinema and windows operations system make it powerful and easy to handle, computer how to use, how to use it, it just the portable projector notebook.

20,000 Hours LED Lamp

The traditional lamp is the expensive consumer goods, most of it must change when it used up to 3,000 hrs. ProjectoMust A1 use the LED lamp, can be used 20,000 hrs, it means do not worry about changing the lamp.

Automatic Keystone Correction

When the screen too high or too low, there is angle between the projector light and the screen, which led to the trapezoidal distortion of the projected image. Ultra precision three-axis angle sensor can quickly feel the inclination of the image in the vertical direction, and then trapezoidal distortion in the projected image into a square automatic proofreading projected image, so that the user can quickly and easily enjoy the perfect pattern without manual adjustment.

Windows Operation System

ProjectoMust A1 can be compatible all kinds office and draw software, as well as the entertainment and working.

High Brightness & Environmental Protection

ProjectoMust A1 with bright patterns in the environment under the conditions of strong light is turned on, in the original brightness increased by 50%, to ensure the normal use of the device. Meanwhile, in the green mode, the machine runs power only 45W ; in the highlight mode, the machine runs power of 55W. Standby power is <1W, fully meet the requirements of the energy saving, the maximum for the users to reduce the cost.

3D Movie Technology & 2D turn 3D Movie

ProjectoMust A1 with active shutter format, can play 3D movie and 3D games, without the third driver. ProjectoMust A1 using the most advanced hardware decoding technology, about the format can support up and down format, Blu-ray 3D film source. Also supports 2D to 3D movie, can be turn all ordinary 2D film into 3D film.

The Input & Output Port

ProjectoMust A1 not only with the notebook input and output port, but also the HDMI 1.4a, AV-IN, it can connect the Blu-ray DVD, TV BOX, Console Etc. All audio and video content can be projection into the screen, enjoying the real home theater.

Content & Design

260mmx167mmx38.5mm

ProjectoMust A1 integrate the computer and projector, only 1.3kg and 260x167x38.5 mm, smaller than a A4 paper, it is portable. Is the best one to show the product, hold the business and teaching.
